

AMENDMENTS TO THE DRAWINGS

Two replacement drawing sheets, showing Figs. 1-5, are filed herewith. These drawing sheets are exact copies of the drawings filed in the International application PCT/EP04/04499, so no new matter is provided.

REMARKS

The Examiner has issued this *Ex parte Quayle* action because the application is in condition for allowance, but there are no drawings in the case file. The Examiner has stated that there are drawings in the certified copy of the foreign application, and the Examiner is requiring the filing of a copy of those drawings.

Applicant respectfully notes for the record that this case was filed as a §371 entry of PCT/EP04/004499 and that the §371 acceptance notice received on Form PCT/DO/EO/903, mailed 29 June 2006, shows that the copy of the International Application and the drawings were both received at the USPTO.

Conclusion

The Applicant respectfully submits that the present application is now in condition for allowance and such action is earnestly requested.

Respectfully submitted,

Dated: 6 March 2007
